

American Heritage School
REQUEST FOR GIVING MEDICATION AT SCHOOL

Utah Law (53A-11-601) states the following:

School personnel may only administer medication to a student if:

1. the student's parent or legal guardian has provided a current written and signed request that medication be administered during regular school hours to the student; and
2. the student's physician, dentist, nurse practitioner, or physician assistant has provided a signed statement describing the method, amount, and time schedule for administration, and a statement that administration of medication by school employees during periods when the student is under the control of the school is medically necessary.

The form below is provided to help you obtain the required information from your Doctor, or other medical personnel as stated in the law. Without this completed form, medication cannot be given to your child by any school personnel.

THIS COMPLETED FORM MUST BE SUBMITTED TO THE SCHOOL WITH MEDICATION ON OR BEFORE THE FIRST DAY THE MEDICATION IS TO BE ADMINISTERED BY SCHOOL PERSONNEL.

The following medication is prescribed and may be taken at school as indicated below:

Student's Name _____

Teacher Name _____ Grade _____

Medication _____

Method _____

Reason for Medication _____

Dosage _____ Time to be Given _____

Special Instructions _____

Physician's Name _____ Phone _____

Physician's Signature _____

I understand that prescription medication must be provided in the labeled prescription bottle with the correct child's name on it. If the medication is an over-the-counter drug, it must also be in the original container and must have the child's name written on the package. I also understand that school personnel may contact the doctor regarding administration of this medication. I also understand someone other than a licensed nurse who has been appointed to do so by the school administrator may administer this medication.
