“Stepping Stones for Generations” Benefit Auction Donation Request 2016

Dear Patrons, Friends and Neighbors,

It is with great excitement we invite you to participate in a very special event. Each year, friends of American Heritage School come together for a benefit auction to help raise much-needed financial support for the children and teachers at the school. As a registered 501c3 public charity that does not accept federal, state, or local tax funding—our support comes from private individuals and organizations who share our vision of educating hearts and minds of children in a Christ-centered place of learning.

This year, our annual benefit auction will be held on Saturday, October 8. The “Stepping Stones for Generations” event includes an elegant dinner and program, a silent auction, and a live auction. All proceeds support the vitally important mission of the school and go directly to helping students and teachers.

We invite businesses and community members who share our vision to participate by **donating goods or services that can be auctioned at the event**. No contribution is too small, and, of course, we welcome cash contributions.

Here’s how you can help:

- 1) Please consider contributing an item to the auction. Attached is a list of items that have proven to be most successful. We have enclosed a donation form for you to complete.
- 2) Mark your calendar now and plan to attend the auction on October 8. Tickets start at \$75.

We request that all auction donations be made by Friday, September 23. All donations to the auction can be mailed or dropped off at the school, or pick-up arrangements can be made. Please contact Steven Espinoza at 801-642-0055 ext. 312 or e-mail sespinoza@ahsmail.com. A donation receipt and IRS tax-exemption determination letter can be provided upon request.

Thank you in advance for your time and generosity, and for joining us in preserving American Heritage School as a unique and special environment for our community. We wish you all the very best from the children and families of American Heritage School.

Yours very truly,

Grant Beckwith
Principal
