American Heritage School assists parents worldwide in developing the hearts, minds, and bodies of students to realize their divine potential by:

1. BEING USEFUL IN THE HANDS OF THE LORD IN BUILDING THE KINGDOM OF GOD ON EARTH;
2. INCREASING FAITH IN AND KNOWLEDGE OF THE PLAN OF SALVATION;
3. DEVELOPING A LOVE, UNDERSTANDING AND APPRECIATION FOR AMERICA AND THE FOUNDING FATHERS;
4. DEVELOPING THE ACADEMIC KNOWLEDGE AND SKILLS NECESSARY TO BE ABLE TO MAKE SELF-EDUCATION A LIFE-LONG PURSUIT;
5. LEARNING TO REASON AND DISCERN BETWEEN RIGHT AND WRONG, TRUTH AND ERROR;
6. DEVELOPING CHARACTER AND SELF-GOVERNMENT OF MIND AND BODY; AND
7. CONDUCTING THEMSELVES IN ALL ASPECTS OF LIFE AS CHRISTIANS.

All activities, teaching, governance, and administration are to be accomplished in light of the above objectives and in so far as possible in harmony with revealed principles of the restored gospel of Jesus Christ and laws of the land. All teachers, staff, administrators and trustees shall strive to be living examples of the values, principles, and skills taught at the school.

Dear Friends,

Welcome to American Heritage School! We are delighted that you are joining us this year. Education is a sacred endeavor to diligently learn and teach by the light of Christ all things “both in heaven and in the earth” that are “expedient for us to understand” in order that we may “be prepared in all things” to magnify the calling and the mission to which the Lord calls us in life (D&C 88:78–80). We hope this Welcome Guide helps you prepare for a true “family education” experience at American Heritage that lays Christ and the restored gospel at the foundation of all teaching and learning.

Whether you are new or returning to AHS, we are confident that you will find this to be a year that you discover the light and the joy of a Principle Approach® educational experience. So, get ready to renew your heart and mind, keep your lamps burning bright, and thank you for joining the spirited march of the Patriots!

Sincerely,

Grant Beckwith
Principal

Character › Scholarship › Liberty
Divine Identity and Purpose
God is our loving Heavenly Father. He has endowed each of His children with the gifts of life, the freedom to choose, and a divine identity and purpose. Civil liberty is founded on the truth that these are inalienable, God-given rights.

Liberty through Christian Self-Government
God has given us the freedom to choose liberty and eternal life through Jesus Christ, or captivity and death. As we seek to obey the teachings of the Lord Jesus Christ, and receive His grace, we will experience liberty. Civil liberty can exist only when there is widespread adherence to moral law by self-governed individuals.

Christlike Character
Jesus Christ is the standard of character and the model of all virtues. Through His Atonement, we can become like Him. America’s heritage provides examples of men and women who were liberated by obedience to the teachings of Jesus Christ, and who sought freedom to develop and express Christian character. America became the seedbed of civil liberty because of inspired reliance upon Christian principles.

Conscience, the Most Sacred of All Property
God has granted each of us stewardship over our individual souls, labor, and possessions. The most sacred stewardship God has given us is our conscience. We experience liberty as we follow our conscience, which is the light of Christ within us. In the civil realm, liberty depends upon protection of the rights of property, including the property of conscience.

The Family, Religion, and Civil Government
Personal and civil liberty depend upon the protection and vitality of three realms: the family, religion and its expression, and civil government. Internal restraints within civil government, such as representation, separation of powers, and federalism, are necessary to temper the exercise of governmental power. These internal restraints protect individual accountability, the rights and responsibilities of families, and religion and its expression.

Cultivating Self-Government in Others
Individuals who experience liberty through Christ seek to bless others with liberty. Christ’s followers are obligated to cultivate and protect the right of self-government for all mankind. Civil liberty is best protected when the decision-making authority of government resides at the level that is closest to those affected by its decisions.

Fullness of Liberty through Unity with God and Man
The ultimate purpose of God’s plan of happiness is to enable us to experience a fullness of liberty. This is possible only through unity with God, our families, and our fellowmen as we experience the atoning power of Jesus Christ.Uniting as self-governed individuals enables and strengthens civil and personal liberty, and magnifies the potential of all.
In a local and national education environment that has a massive shortage of qualified teachers, these incoming educators and coaches are not only highly qualified in the areas of their technical discipline, but they are also men and women of faith, character, and lots of enthusiasm!

Coach Dastrup comes to AHS with a Master’s Degree in Coaching and Sports Administration and a Bachelor’s Degree in Exercise and Sports Science (Concordia, BYU-H., and SLCC). After playing at BYU-Hawaii, he served as an assistant coach there and currently runs one of the largest advanced youth basketball programs in Utah (150 youth, 16 teams).

Coach Jansen has experience coaching youth baseball, as well as playing for many years. He attended Texas Tech University and earned a Bachelor’s of Science in Electrical Engineering, going on to graduate with his J.D. from St. Mary’s School of Law. Blake is an Intellectual Property Attorney working with technology companies to secure patents.

Coach Schneider was raised in a baseball family and played collegiately in California. He is deeply engrained in the baseball culture, working for brands like Stance Socks, SF Giants and Anchor Bats. Coach Schneider has also coached high school baseball as well as serving as the head coach for an elite Utah Marshalls travel ball team.

Coach Metcalf has coached multiple teams at the elementary, club, and high school levels. The California native played volleyball at Salt Lake Community College where her team was ranked number one for the majority of the season and finished third in the junior college national tournament. She is currently in her fifth year of teaching second grade in Provo.

Coach Holmes went to nationals as a member of the UVU women’s soccer team and was a sprinter on the UVU track team. She has been a youth soccer coach for many years, and led the AHS JV Girls this past year to one of their most successful seasons yet, including in the post-season tournament.

Mrs. Treu comes to AHS with more than 20 years experience teaching ballroom from elementary through collegiate levels, and is the current Alpine District Ballroom Coordinator and Events Coordinator for the Danzinskule Education Foundation, where she trains ballroom dance teachers throughout Utah County.
Construction Update: Phases 1C and 2A

In the spring of 2019, AHS dedicated Phases 1A and 1B in a touching ceremony held in Patriot Arena. Students, families, and faculty were joined by the Board of Trustees, donors, and community dignitaries to honor—in both word and music—the sacrifices of all those who laid the foundations for the school’s growth and success.

With the completion of the $30 million Phase 1A and 1B expansion, we are pleased to announce a new $8 million donation for various strategic priorities, including the construction of Phases 1C and 2A. Phase 1C will be an auxiliary gym that will help the school to meet the needs of players, coaches, and families as we continue to pursue our all-participation athletics model. Phase 2A will create a much-needed high school kitchen and cafeteria. The expansion will also include a student commons area that can be used for multipurpose curricular space, which will accommodate several years of student population growth.

Our generous donors allow us to expand our campus without the use of a single dollar of tuition, continuing the pattern of consecrated donor sacrifice that has endured from the early years of our school’s history. These donations bless each and every American Heritage family because they allow us to operate debt-free, which keeps the cost of tuition at remarkably low rates for the quality of experiences provided.

Welcome!

I look forward to a wonderful year working together with you while we partner with devoted teachers and administrators in educating the hearts and minds of our children at American Heritage School. Did you know that every parent at the school is a member of the Parent Service Organization? It’s just one of various ways that we reinforce our unique school culture that not only encourages but also expects parental involvement in their children’s educational experience. Parents at AHS are invited and expected to give at least 30 hours of volunteer service per family each year. Please know that your service and sacrifice are very much needed at our school and enrich virtually every aspect of our “family education” experience at AHS.

I look forward to serving with you this year!

HONOR CODE

AMERICAN HERITAGE SCHOOL

American Heritage Honor Code

“Master, which is the great commandment in the law? Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbor as thyself.”

(Matthew 22:36–39)

The two great commandments to love the Lord and love our neighbors are the two most important principles that we learn at American Heritage School. Students and employees are expected to live according to the standards and conduct set forth below and to keep these standards and commitments on campus and off campus “at all times... and in all places” (Mosiah 18:9). Those students and employees who are not members of The Church of Jesus Christ of Latter-day Saints are also expected to maintain the same standards of conduct, except church attendance.

Parents, students, and employees, please review these standards together, then be prepared to sign and return a copy of the Honor Code Statement to your teacher or administrator by the end of the first week of school.

Expected Conduct at School, School-Sponsored Activities, and Away from School. With the two great commandments as our guide, it is expected that students and employees will uphold the following standards and expectations at all times, whether we are on campus or away from campus:

- **Kindness and Respect.** Treat every person with kindness and respect, including students of all ages, teachers, parents, administration, staff, custodians, and visitors and visiting teams to the school.

- **Uplifting Language.** Choose words that inspire and uplift. Words intended to hurt or offend should never be used and have no place in our school.

- **Honesty.** Be honest and truthful in all dealings.

- **Humility and Integrity.** Accept corrections respectfully from all who have stewardship for you. This includes (but is not limited to) your parents and every employee at the school, even if they aren’t your teacher. Listen to the Spirit when you receive correction and have the courage and integrity to obey promptly and consistently, even if you disagree with an expectation, and even while you may be working to understand or even change that expectation through appropriate channels.

- **Positive Attitude.** Display a positive, willing attitude. This includes making a good-faith effort to fulfill all Honor Code commitments and to devote oneself to learning and keeping all school policies. “The Lord requireth the heart and a willing mind.” (D&C 64:34)

- **Stewardship.** Care lovingly for our building. This includes eating only in designated areas (not in hallways or classrooms without permission) and treating doors, walls, and school equipment with care and respect. Seek ways to leave our classrooms, hallways, and bathrooms cleaner and better maintained than we found them. Bending a knee to pick up a scrap takes effort, but it is a sign of a grateful steward, especially if the scrap is not our own. “And he that is a faithful and wise steward shall inherit all things.” (D&C 79:22)

- **School Uniform, Dress & Grooming.** Wear the school uniform properly and keep the AHS dress and grooming standards diligently and willingly. Students in grades 7-12 who wear their uniform, clothing, or hair-styles in ways that contradict (or press the boundaries of) the School’s dress and grooming standards should be prepared for conversations with teachers and administrators, and if the problem persists, for potential dismissal or non-readmission to the school.

- **Cell Phones and Technology.** Use cell phones, personal electronic devices, and computers only at times and in settings that are respectful and approved. For students, cell phones should be off and out of sight during normal school operating hours everywhere on campus from 8:10 a.m. to 3:10 p.m. (including during transition times, at lunch, and at recess), and during school-sponsored travel, unless otherwise approved by a teacher or administrator. Teachers are encouraged to take
student cell phones that are used without permission and to deliver them to an administrator. Teachers may collect phones at the beginning of class from any students who have them on their person or close at hand. In such cases, students whose phones are off and not easily accessible, such as in backpacks, will not be required to surrender their phones. Students may ask for permission to contact parents or conduct other business via personal cell phone at any time. Do not hide the use of cell phones and personal devices from view of teachers, parents, and other responsible adults, even if corresponding with parents. Do not communicate anything via text or social media, on campus or off campus, that would be inappropriate, offensive, or hurtful. Report any inappropriate, hurtful, or obscene messages, or content—whether yours or someone else’s, accessed intentionally or unintentionally, on-campus or off-campus, by personal or school devices—to a parent, teacher, administrator, or other trusted adult.

- Displays of Affection. While at school or during school-sponsored activities, students should not engage in public or private displays of romantic physical affection, including kissing, cuddling, and hand-holding.
- Conduct Away from School. As indicated in the school’s mission statement, faculty, staff and students are expected to “conduct themselves in all aspects of life as Christians.” Thus, the School’s Honor Code is expected to be kept up and off campus. With limited exceptions (such as certain uniform policy and dress code requirements that apply only while at School), any personal activity or behavior away from School that contradicts the principles, policies and mission statement of the School may constitute grounds for dismissal from the School.
- Public Expression, Advocacy, and Free & Open Inquiry. Students and employees are encouraged to seek for truth, engage in free and open inquiry, and examine their own and differing perspectives. In speech and conduct, students and employees should not engage in expression or events that seriously and adversely affect the school’s mission or the Church. Examples would include an event or expression that contradicts or opposes, rather than analyzes or discusses, fundamental Church doctrine or policy; deliberately attacks or derides school employees, administrators, the Church, or the Church’s general leaders; or violates the school’s Honor Code.

In addition to the above standards, students and employees are also expected to abide by For the Strength of Youth standards (for students and employees ages 12 and older) and the My Gospel Standards (for students ages 11 and under), as set forth below. Where AHS-specific standards are different than For the Strength of Youth standards, students and employees are expected to keep AHS-specific standards during all school-sponsored activities, and For the Strength of Youth standards at all other times and places.

For the Strength of Youth*

(For students and employees ages 12 and older. “For the Strength of Youth” is published by The Church of Jesus Christ of Latter-day Saints. Copies of the pamphlet should be brought to school by each 7–12 and are also available in the library.)

Agency and Accountability
- Heavenly Father has given me agency, which is the ability to choose right from wrong, and to act for myself.
- I am responsible for the choices that I make.
- I am free to choose my course of action, but I am not free to choose the consequences.
- True freedom comes from using my agency to choose obedience; loss of freedom comes from choosing disobedience.

Dating
- I date only after I am sixteen.
- When I begin dating, I go with one or more additional couples, and I avoid frequent dates with the same person.
- I invite my parents to become acquainted with those I date.
- When dating, I only go to places where I can maintain my standards and remain close to the Spirit.

Gratitude
- I live with a spirit of thanksgiving, which turns my heart to the Lord and helps me recognize His influence and blessings in my life – even in my most difficult times.
- In my prayers, I pour out my heart to my Father in Heaven in thanks for the blessings that I have received.
- I express gratitude to the Lord by the way I live. In keeping his commandments and serving others, I show that I love Him and am grateful to Him.
- I express gratitude to others for the many ways they bless my life.

Nevertheless, the school’s mission establishes and encourages an environment that is oriented toward the Church of Jesus Christ, where principles are taught in the light of the restored gospel, and where faith in Jesus Christ is felt and demonstrated by each child and adult at the School.

Dress and Appearance
- I dress modestly to show respect for God and myself.
- I avoid extremes in my clothing and appearance.
- I will not use a special occasion as an excuse to be immodest, which means avoiding clothing that is tight, sheer, or revealing in any other manner.
- If a young woman, I avoid short shorts, short skirts, shirts that do not cover the stomach, and clothing that does not cover the shoulders or is low-cut in the front or back. If a young man, I will avoid being extremely or inappropriately casual in clothing, hairstyle, and behavior.
- I will wear appropriately modest apparel when participating in sports.
- I will not disfigure myself with tattoos or body piercings (for young women, only one pair of earrings is acceptable).
- I dress appropriately for all Church meetings and activities.

Education
- I understand that education is an important part of Heavenly Father’s plan to help me become more like Him.
- I work diligently and make sacrifices, if necessary, for my education.
- I maintain enthusiasm for learning throughout my life, and choose to actively participate in learning opportunities available to me.
- My education includes spiritual learning. I study the scriptures and the words of prophets to help me find answers to the challenges of life and invite companionship of the Holy Ghost.

Entertainment and Media
- I select only media that uplifts me.
- I do not attend, view, or participate in anything that is vulgar, immoral, violent, or pornographic in any way.
- I will avoid spending long periods of time using the Internet, mobile devices, playing video games, or watching television and other media – and I will be careful that my use of social media does not replace spending time with my family and friends.
- I will not communicate anything over the Internet or through texting that would be inappropriate to share in person.
- I obey laws governing sharing music, movies, and other copyrighted items.

Family
- Strong families require effort, and I do my part to strengthen my family.
- I am cheerful, helpful, and considerate of my family members.
- I seek to be a peacemaker rather than to tease, fight, and quarrel.
- I honor my parents by showing love, respect, and obedience for them as they lead me in righteousness.
- I willingly help in my home, and participate in wholesome family activities and traditions, including family prayer, family scripture study, and family home evenings. If my family does not do these things, I will pray and study scriptures myself. My example may encourage family members to join me.
- I strengthen my relationship with my brothers and sisters, support them in their interests, and help them with challenges they may be facing.
- If my family does not include a mother and father who love and care for each other, I will be patient, continue to live righteously, and look for worthy role models as I prepare to fulfill my divine role as a husband or wife, and as a parent.

Friends
- I choose friends who share my values so we can strengthen and encourage each other in living high standards.
- I go out of my way to help those who feel shy or lonely, have special needs, or do not feel included.
- I treat everyone with kindness and respect, and refrain from judging and criticizing those around me.

Nevertheless, the school’s mission establishes and encourages an environment that is oriented toward the Church of Jesus Christ, where principles are taught in the light of the restored gospel, and where faith in Jesus Christ is felt and demonstrated by each child and adult at the School.
**Honesty and Integrity**
- I am honest at all times with myself, with others, and with God.
- I choose not to lie, steal, cheat, or deceive in any way.
- I have integrity by living my standards and beliefs even when no one is watching.

**Language**
- I use language to invite the Spirit, to uplift, to encourage, and to compliment others.
- I do not use profane, vulgar, or crude language or gestures.
- I do not tell jokes or stories about immoral actions.
- I never take the name of Deity in vain.
- I do not insult others or put them down, even in joking, and avoid gossip of any kind.
- I understand that my standards for language apply to all forms of communication, including texting and communicating on the internet.

**Music and Dancing**
- I listen to edifying and inspiring music that helps me draw closer to Heavenly Father.
- I do not listen to music that encourages immorality or glorifies violence through its lyrics, beat, or intensity.
- I do not listen to music that uses vulgar or offensive language, or promotes evil practices.
- I will learn and sing the hymns.
- When listening to music, I am courteous to those around me by keeping the volume at a reasonable level, removing earphones when others are talking to me or want me to be a part of their activities.
- When dancing, I avoid full body contact with my partner. I also do not use positions or moves that are suggestive of sexual or violent behavior.
- I plan and attend dances where dress, grooming, lighting, lyrics, music, and entertainment contribute to a wholesome atmosphere where the Spirit of the Lord may be present.

**Physical and Emotional Health**
- I treat my body as a temple and as a gift from God.
- I eat nutritious food, exercise regularly, and get enough sleep.
- I avoid extremes in diet that could lead to eating disorders.
- I do not use drugs, alcohol, coffee, tea, or tobacco products.
- I avoid any drink, drug, chemical, or dangerous practice that is used to produce a "high" or other artificial effect that may harm my body or mind, including marijuana, hard drugs, prescription or over-the-counter medications that are abused, and household chemicals.

**Repentance**
- I understand that repentance is more than simply acknowledging wrongdoings. It is a change of mind and heart.
- I seek help and counsel from my parents and my bishop to do what is necessary to repent and receive forgiveness.

**Sabbath Day Observance**
- I understand that the Lord has commanded me to keep the Sabbath day holy.
- I will prepare during the week so that I can reserve Sunday for the many uplifting activities that are appropriate for the Sabbath day, and that show respect for the Lord and His holy day.
- I will attend all my Church meetings.
- I avoid shopping, recreation, athletic events, and seeking entertainment or making purchases on the Sabbath.
- Whenever possible, I avoid working on Sunday.

**Service**
- I serve others, and am willing to bear other people’s burdens, and to comfort those who need comfort.
- Some of the most important service that I give is within my own home. I also serve in church assignments, school, and in the community.
- I seek the guidance of the Holy Ghost each day to know whom to serve and how to help meet their needs, including through simple, everyday acts of kindness.

**Sexual Purity**
- I will not have any sexual relations before marriage, and I will be completely faithful to my spouse after marriage.
- I do not allow media, peers, or others to persuade me that sexual intimacy before marriage is acceptable.
- I refrain from activities that could lead to sexual transgression, and I treat others with respect, not as objects used to satisfy lustful and selfish desires.
- Outside of marriage, I do not participate in passionate kissing, lie on top of another person, or touch the private, sacred parts of another person’s body, with or without clothing, nor do I allow anyone to do these things with me. I refrain from activities that arouse sexual feelings, and refrain from arousing those emotions in my own body.
- I do not participate in any type of pornography.
- I avoid situations that invite increased temptation, such as late-night or overnight activities away from home or activities where there is a lack of adult supervision.
- I understand that any sexual behavior outside of marriage is a serious sin. I understand that for purposes of the AHS Honor Code, marriage is defined by The Family Proclamation.*
- I understand that victims of sexual abuse are not guilty of sin, and I will seek help and counseling if I ever become a victim of rape, incest, or other sexual abuse.
- I make a personal commitment to be sexually pure, and by my words and actions, encourage others to do the same.

**Work and Self Reliance**
- I understand that work is honorable.
- I help my family by willingly participating in the work necessary to maintain a home.
- I handle my money wisely, live within my means, and follow the teachings of prophets by paying tithing, avoiding debt, and saving for the future.
- I set high goals for myself, and am willing to work hard to achieve them.
- I avoid idleness, including excessive amounts of time in activities that keep me from productive work, such as using the Internet, playing video games, and watching television.

**My Gospel Standards**

(for students ages 11 and under, “My Gospel Standards” are published by the Church of Jesus Christ of Latter-day Saints and incorporated in the AHS Honor Code for students in grades K–6)

I will remember my baptismal covenant and listen to the Holy Ghost.
I will choose the right. I know I can repent when I make a mistake.
I will be honest with Heavenly Father, others, and myself.
I will use the names of Heavenly Father and Jesus Christ reverently. I will not swear or use crude words.
I will do those things on the Sabbath that will help me feel close to Heavenly Father and Jesus Christ.

I will only listen to music that is pleasing to Heavenly Father.
I will seek good friends and treat others kindly.
I will live now to be worthy to go to the temple and do my part to have an eternal family.
I am a Child of God
I know Heavenly Father loves me, and I love Him.
I can pray to Heavenly Father anytime, anywhere.
I am trying to remember and follow Jesus Christ.

**Honor Code Statement**

I understand that American Heritage School exists to provide an education in an atmosphere consistent with the ideals and principles of The Church of Jesus Christ of Latter-day Saints. I also understand that this atmosphere is preserved through my voluntary commitment to live in accordance with those ideals and principles “at all times and in all places” (Mosiah 18:9), and that this commitment is a specific condition of admission and employment at American Heritage School for all students, faculty and staff. Those individuals who are not members of The Church of Jesus Christ of Latter-day Saints are also expected to maintain the same standards of conduct, except church attendance.

As a representative of American Heritage School, I acknowledge and commit to maintain the standards set forth in the American Heritage School Honor Code.

**Date**

As I have come to understand the purpose behind the honor code I have realized that, like the gospel and the rules and statutes that it contains, the honor code is meant to help us. I still might not understand all the reasons behind the rules I am asked to follow but I have come to understand that those making and enacting the rules really do have my best interest at heart. We might not always comprehend the reasoning behind some rules but as we come to appreciate the love of the leaders making those rules, following them ceases to be a burden and instead becomes a pleasure.

AHS Student Body President 2019–20

**O (Outstanding)—Students in "O" range:**
- Are almost always on task. They almost never need to be reminded to do what is expected.
- Willingly participate in class discussions, and they have conversational etiquette, knowing when to listen and when to speak.
- Show responsibility, leadership, and self-government during group work.
- Use independent working time in class productively and show self-government. They use extra time after completing assignments in class by doing independent reading or other appropriate work for the class. They are ready to listen to the teacher’s instructions at the start of class, and they do not put work away early but continue working right up to the bell at the end of the period.
- Almost always attend class punctually and almost always submit work punctually.
- Consistently takes care of property, school property, own personal and others property.
- Consistently observe the Honor Code and Uniform Policy.

**G (Good)—Students in "G" range:**
- Generally remain on task and do what is expected in class, but require occasional reminders to do what they should be doing.
- During class discussions they may not contribute, or if they do, they occasionally lack some conversational etiquette. They may speak out of turn on occasion.
- Participate in group work, but without same initiative, engagement, or leadership of students in the "O" range.
- Sometimes are not “tuned-in” to listen to the teacher’s instructions at the beginning of class, and they sometimes stop working and start packing up their belongings before the bell rings at the end of class. WHEN they have finished an assignment during class, they sometimes have to be reminded to take out reading material or other appropriate classwork during the remaining time.
- Sometimes arrive late to class and submit late work.
- Usually takes care of property, including school property, personal property, or property belonging to others.
- Sometimes needs reminders to observe the Honor Code and Uniform Policy.

**N (Needs Improvement)—Students in the "N" range:**
- Are almost off-task and have to be frequently reminded or even coaxed to stay on task. Their attention seem to frequently wander.
- May refuse to join in class discussions, or if called upon, they rarely show much thoughtful engagement with the discussion or activity, at least in a productive way. When entering a class discussion voluntarily, they have a disregard for conversational manners, and rather than waiting their turn to speak, they often blurt out their thoughts inappropriately.
- Are off-task during group work and do the bare minimum.
- Rarely ready to work at the beginning of class, and rarely do they keep working until the bell at the end of class. During class, it is usually only the fact that the teacher is watching that keeps them on task. If the teacher looks away, is occupied with something, or steps out of the room, these students usually do not stay on task. It is not unusual for them to pretend to be doing what they are supposed to be doing when they are actually doing something else. These students are frequently teacher-governed.
- Frequently arrive late to class and frequently submit late work.
- Often misses or is careless with property, including school property, personal property, or property belonging to others.
- Often needs reminders to observe the Honor Code and Uniform Policy.

**U (Unacceptable)—Students in the "U" range:**
- Willingly choose not to do what they are asked to do during class. They are typically off-task, and even when given a reminder, they do not fully comply.
- May intentionally disrupt or cause distractions during class. They have little regard for the teacher’s right to teach or the other student’s right to learn.
- If they enter a class discussion, their remarks are often meant to derail the discussion, rather than contribute to it. In other words, rather than expressing sincere disagreement to the teacher or another student, they are intentionally disrupting or destroying the lesson or discussion.
- Make no pretense of trying to cooperate with the teacher, but seem to willfully work against the teacher’s efforts to create a productive and positive learning atmosphere.
- Very frequently arrive late or miss class altogether and many assignments submitted late or not at all.
- Frequently misuse or is destructive of property, school property, personal property, or property belonging to others.
- Frequently needs to be reminded to use kind words, uplifting language, and observe the Honor Code and Uniform Policy.
From the Library

Welcome to the American Heritage School Library!

We are a K–12 outreach library that serves both the school community and The Family School Home-School families. The stacks in our library contain family-friendly books at all grade levels. We strive to provide quality literature that invites the spirit and inspires a love for reading. We acquire library materials through donations as well as from the proceeds of an annual book fair held in conjunction with Parent-Teacher Conferences. Donated items are carefully screened for content and age-appropriateness before being placed into circulation. Students kindergarten through fourth grade have a scheduled weekly library time during which they are invited to check out books. All students and families may come to the library before or after school to check out books.

The library also serves as the textbook distribution center of the school. All textbooks will be checked in and out through the library.

The following are guidelines for proper care and handling of all textbooks:

1. Students should report a lost textbook to the library as soon as possible (lost textbooks are often returned to the library).

2. Each book has an individual barcode associating it with the student who checked it out. Please do not remove or destroy this barcode. Textbooks are recognized in our library system by the specific barcode on the book and are checked out specifically to each student.

3. Our textbooks are issued in various conditions. Efforts are made to maintain and repair textbooks as needed. Students should return the book they are issued at the end of the year in the best condition possible. If you have concerns as to the condition of your book at the beginning of the year, please contact Mrs. McConkie in the library at mmcconkie@ahsmail.com. Textbook condition is noted in the original book cover is not permitted.

4. Please make every effort to properly handle your book. Keep books away from water, food, pets, etc., and handle carefully in backpacks and lockers. Covering your book with some type of book cover is recommended. Please make sure the cover fits properly – covers that are too small will cause damage to the cover and spine.

5. All books shall be returned at the end of the year. Students needing to continue work from a textbook in the summer will need to recheck out the book when summer circulation begins. If a student transfers out of a class and no longer needs the issued book, it should be returned to the library as soon as possible. Fines will be assessed for excessive damage or lost textbooks. Yearbooks will be held until all school materials are returned or fines are paid.

Parents are welcome and invited to serve in the school library as part of the 30 hours of required service. We have opportunities to help preview donated materials, returning books to circulation, or helping with Patriot Book Group—a book group held monthly for students first through sixth grade. If you are interested in serving in the library, please contact Mrs. McConkie at mmcconkie@ahsmail.com.

We look forward to serving you!

American Heritage School
Student Uniform Policy

Updated: May 28, 2019, See Parent Handbook, Section 12

Immunizations

Purpose and Implementation

We believe that properly wearing the uniform

• Exhibits only modesty, neatness, and dignity;
• Demonstrates respect for self, education, teachers, and fellow students;
• Facilitates focus on learning and service, rather than on clothing and accessories;
• Supports an appropriate distinction between the genders; and
• Reminds students of their commitment to live by the American Heritage Mission Statement.

All male students at AHS are expected to wear the boys’ uniform and abide by the dress and grooming standards set forth for boys, and all female students are expected to wear the girls’ uniform and abide by the dress and grooming standards set forth for girls.

Students wearing the proper uniform will be admitted to class. The uniform standard will be in place until 3:10 p.m. each school day. All non-uniform items, including but not limited to coats, jackets, sweatshirts, and hoodies, must be removed as soon as practical after entering the building, and immediately upon entering class. Personal coats or jackets may only be worn inside the building when a student is actively in the process of exiting to or entering from outside activities. Given that there is limited space for coats and jackets in the lunchroom, students who are planning to go outside during lunchtime recess may wear their non-uniform coats, jackets or sweatshirts during lunch in the lunchroom.

We trust that students and parents will govern themselves by the spirit of the uniform policy. Many items and variations are not specifically prohibited but are outside the spirit of the policy and thus are not permitted.

Definitions for terms used in the uniform policy:

• Consistent: Repeated; avoiding draw. vocals.
• Modest: Modesty excludes short shorts, tight clothing, and other revealing attire.
• Non-distracting: Not drawing attention to oneself.
• Small: Fine, minute, diminutive, slender, thin, little, of small diameter.
• Subtle: Fine, thin, delicate, slight, faint, refined, difficult to perceive.
• Tight or slim fitting.
• Tight or slim fitting.

Dress Standards

• Clothing should fit appropriately (neither tight nor baggy).
• Pants on boys and young men should be conservative in style and not tight or slim fitting.
• Alterations, other than hemming, are NOT permitted!
• Skirts, shorts, jumpers, and shorts on girls and young women should be modest in length and fit. The minimum length should allow for the skirt to naturally fall below the kneecap.
• K-12 girls and young women must wear snug-fitting black or navy blue, white-stripe shorts daily under skirts, shorts, jumpers, and shorts (except when K-6 girls wear approved leggings). Bikier style shorts may not extend below the hemline of the uniform.
• Undershirts and camisoles must be plain white. Undershirt sleeves must not extend beyond the cuff of the uniform sleeve.
• Socks must be worn at all times. Alternatively, girls may wear tights and HIS girls may wear nylons. (See appropriate section for details.)
• Uniform approved jackets and sweaters are permitted in the building and may not be worn around the waist.
• Hats and baseball caps may not be worn during school hours with the exception of a winter hat worn outside for warmth.

Immunizations

Purpose and Implementation

We believe that properly wearing the uniform

• Exhibits only modesty, neatness, and dignity;
• Demonstrates respect for self, education, teachers, and fellow students;
• Facilitates focus on learning and service, rather than on clothing and accessories;
• Supports an appropriate distinction between the genders; and
• Reminds students of their commitment to live by the American Heritage Mission Statement.

All male students at AHS are expected to wear the boys’ uniform and abide by the dress and grooming standards set forth for boys, and all female students are expected to wear the girls’ uniform and abide by the dress and grooming standards set forth for girls.

Students wearing the proper uniform will be admitted to class. The uniform standard will be in place until 3:10 p.m. each school day. All non-uniform items, including but not limited to coats, jackets, sweatshirts, and hoodies, must be removed as soon as practical after entering the building, and immediately upon entering class. Personal coats or jackets may only be worn inside the building when a student is actively in the process of exiting to or entering from outside activities. Given that there is limited space for coats and jackets in the lunchroom, students who are planning to go outside during lunchtime recess may wear their non-uniform coats, jackets or sweatshirts during lunch in the lunchroom.

We trust that students and parents will govern themselves by the spirit of the uniform policy. Many items and variations are not specifically prohibited but are outside the spirit of the policy and thus are not permitted.

Definitions for terms used in the uniform policy:

• Consistent: Repeated; avoiding draw. vocals.
• Modest: Modesty excludes short shorts, tight clothing, and other revealing attire.
• Non-distracting: Not drawing attention to oneself.
• Small: Fine, minute, diminutive, slender, thin, little, of small diameter.
• Subtle: Fine, thin, delicate, slight, faint, refined, difficult to perceive.
• Tight or slim fitting.

Dress Standards

• Clothing should fit appropriately (neither tight nor baggy).
• Pants on boys and young men should be conservative in style and not tight or slim fitting.
• Alterations, other than hemming, are NOT permitted!
• Skirts, shorts, jumpers, and shorts on girls and young women should be modest in length and fit. The minimum length should allow for the skirt to naturally fall below the kneecap.
• K-12 girls and young women must wear snug-fitting black or navy blue, white-stripe shorts daily under skirts, shorts, jumpers, and shorts (except when K-6 girls wear approved leggings). Bikier style shorts may not extend below the hemline of the uniform.
• Undershirts and camisoles must be plain white. Undershirt sleeves must not extend beyond the cuff of the uniform sleeve.
• Socks must be worn at all times. Alternatively, girls may wear tights and HIS girls may wear nylons. (See appropriate section for details.)
• Uniform approved jackets and sweaters are permitted in the building and may not be worn around the waist.
• Hats and baseball caps may not be worn during school hours with the exception of a winter hat worn outside for warmth.
• Clothing should be clean and well-maintained (properly hemmed, unstained, free from holes and fading, etc.).
• Shirts must be tucked in at all times during school hours except during recess and when participating in outside athletic activities.

Definitions for terms used in the uniform policy:

• Substance: Fine, subtle, slight.
• Traditional: fashionable and conservative in style.
• Subtle: Fine, thin, delicate, slight, faint, refined, difficult to perceive.
• Tight or slim fitting.

Immunization Requirements

In accordance with Utah Immunization Statutes and Rules, for each of your children to attend school, we are required to have on file a certificate of immunization from a licensed physician or authorized representative of the state or local health department stating that your children have received immunizations against communicable diseases.

A child may be allowed to attend school “conditionally” if at least one dose of each required immunization has been completed and the child is currently on schedule to receive the remaining immunizations. Please provide the school documentation of the scheduled dates for completion. The remaining immunizations must be completed on schedule for the child to remain in attendance.

An appropriate Utah Department of Health Exemption form must be completed for children who claim exemption to immunizations for medical, religious, or personal reasons.

If we do not have a current immunization record by August 21, 2019, your child will not be able to attend school until we have one on file. Please bring all immunization documents to the Admissions Office, room 312. If you have any questions, please contact the Admissions Office at 801-642-0055, ext. 310, or admissions@ahsmail.com.

Emergency Preparedness Comfort Kit

In the event of an emergency at American Heritage School, we believe advance preparation can help all of us feel less anxious about the possibility of an emergency, and can give us a measure of comfort if and when that emergency occurs.

We are working hard to follow the American Red Cross recommendations for school emergency preparedness, and there is something we need your help with. The American Red Cross suggests having an Emergency Preparedness Kit for each child, stored in their classroom during the school year. This is intended to offer comfort, a means of identification and contact information, and some food if the children are required to stay at the school for a period of time.

The items for the kit are supplemental to emergency preparedness items that the school has on hand. The list is very specific. While you prepare your child’s kit, we ask that you adhere to the list closely.

The Red Cross has carefully selected these items to ensure proper nutrition for children during an emergency, and to avoid expired food that may make them ill. Please label each bag with your child’s name and his/her teacher’s name. Thank you for your cooperation and diligence in this area.

If you have any question please feel free to contact Bob Wheeler at 642-0055 (ext. 314) or bwheeler@ahsmail.com.
